

# TECH RANKINGS DECEMBER 2011

## Louisville, KY Wins System of the Month!

We have a TEAM of guys that do their best to do what is asked of them to reach the goals set by Makotek and the client. There have been many changes here and to keep morale up has been a challenge, to say the least. So HATS OFF to my staff and to the techs that have been with the company for a few years to keep it positive and to take on the challenges coming soon to system 011. All about the TEAM! ~ Dave Hayden GM

The Top Tech wins a \$150 gift card and the Runner Up and Most Improved Techs each win a \$100 gift card. **Congratulations to this month's winners!**

### Runner Up Tech

**Josh Lauder, Nashville, TN**

Josh has been a big producer since we hit the ground in Nashville and this is reflective of the kind of work I can count on him for week in and week out.

The story that the rankings don't tell is of the success he has had in being positive role model and mentor within the office culture.

Josh is a valuable part of our team and I am proud of his achievement. – Erik Lindsey, RM

### Most Improved Tech

Darryl Angel, Columbus 017, OH

Darryl has fit into our "team" here in Columbus and tackles one of our more challenging areas. He's a soft spoken gentleman that works well with his customer.
